OUR AGRICULTURE PRODUCTS

Basmati Rice

Basmati Rice is one of the most popular rice types that is used in Indian cuisine. It is famous because of its delectable taste and long slender length.

Non Basmati Rice

Rice other than basmati rice is called non-basmati rice. ... In fact, basmati rice equals to only 1% production of the total rice grown in India. Non-basmati rice comes in all kinds of different shapes and sizes. Some are long and slender, some are short and thick, some are like beads, and some may be round.
